Duke Address

It's the start of a new reign. The most precarious time for an Amtgard chapter.

We had a good deal of momentum coming off the reign of Duchess Lila; I hope to maintain that.

We have a theme for the reign: Merlin versus Morgan. It will emphasize

Magic and Good versus Evil. We plan to have some special games with special rules or objectives.

I look forward to a fun and prosperous reign. I hope to see all of you and some new faces out.

Duke Kate Ghanston

Regent Address

Dearest People of Pegasus Valley,

I thank you for your kind support, and by support I mean, thanks for being generally kind and the type that doesn't burn your leaders at the stake. This is very much appreciated.

In the coming six months, the Duke and I look forward to having some fun. And by fun I mean of the general flurby variety. If you have problems with this, you may complain to the Duke, but unless you

are of the female persuasion and decently endowed, your bluster will fall upon deaf ears.

For those of you who enjoy your stick jockery, our Champion will find ways of keeping you ruffians occupied. After all, we must prepare for a war like we haven't seen in many a year.

Because of the abundant wet weather we have recently enjoyed, this harvest should be plentiful. And with the advent of a

new trade route that passes right through Pegasus Valley, it is likely that our region will seem even more appealing to other lands than usual.

It is critical that we have large numbers at the annual gathering of Clans to dispel any interest of invasion. At the earliest opportunity, I intend to instigate fundrais-

ing events so that even our humblest can attend.

Furthermore, I have started a sign-up list of those interested in attending who are without transportation and a sign-up of those who are interested in sharing transportation. Your cooperation in this process would be greatly appreciated.

Again, thank you for your

patience and kindness. I hope you will enjoy this ride.

Sincerely,

Your Regent, Dru-Kara
