## Duke's Address

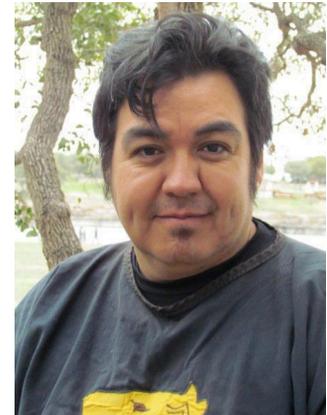

Hi, Duck Fu here. I just wanted to take a moment to thank the Duchy for such an excellent reign. I know that people tend to perceive the land by the monarchy, but really, if it wasn't for all of you, we wouldn't be the most awesome land in all of Amtgard!

While I think competition is healthy, I'm actually secretly happy that I ran uncontested so now I can keep the momentum we've generated over the last six months and roll forward making Pegasus Valley even better.

So, give yourselves a clap on the back and keep your heads up – this roller-coaster of fun has only just begun.

## Outgoing Regent's Address

I, Sir Arch-Duke Alucard Draconis, first of his name, want to take this moment to reflect on the Ducks words. While it hasn't been 100% happy fun-ball times at the park, we can work on that last 1%, amirite? Seriously, I want to thank you all for making this reign as regent flawless and fun. If I didn't have you chattel to goad into doing my bidding, this would have been a pretty boring reign – so thanks for being there.

## From our Outgoing Champion

I'd like to thank everyone for the last year that I've spent as your Champion. We have had a great year and I'm very proud that I've been able to serve the Duchy of Pegasus Valley. As we continue to grow, remember to keep your weapons repaired because safe weapons will keep smiles on our faces!

Thanks again everyone and have a great winter!

Champion of Pegasus Valley

## From our Incoming Champion

Hi, I'm Alucard, Third Horseman of the apocalypse. You can call me War. Or champion. Yeah, welcome to hell, worms. You thought the last guy was bad. Heh, I'm an antipaladin. Let that sink in. Yeah, antipaladin. Oh, this reign is going to be fun... Muahahaha

## *From the Incoming Regent*

Greetings to the populace of Pegasus valley! I'm pleased and proud to be taking the reigns as Regent for the next six months. Those of you who are interested in the Arts and Sciences, we will have many opportunities to meet and exchange tips and techniques. Those of you who haven't yet found something you are excited to create, I certainly hope to help you find something you are enthusiastic about! Also, in the next six months, even though it is the winter reign, there will be many opportunities to visit parks and events, both near to home and far off. I would like to encourage those of you who are artistically-minded to consider working on one big project to send away to Olympiad in December to get feedback from some of the best artisans in the game, as I am doing. Closer to the present, I'm sure you are all

aware that tomorrow is Wyrmspire's first coronation. I'd like to see as much support for them as we can muster! Continuing this month's Food Fight activities, I am hoping to organize a group volunteer day, or perhaps a couple of days. If you can volunteer for a couple of hours, please contact me. Also, the first weekend in October is our kingdom's Crown Qualifications. Any of you who are interested in competing at that level, either in fighting or arts, should consider making the trip.

### **From the Outgoing GMR**

I need a hug from EVERYONE! Right. Now! Don't touch me. Hey, thanks for all you who decided to take the Reeve's test and get out there and reeve some games. Without your help, I'd have to do it all, and that would make me grumpy. You don't want to see me grumpy – just ask Wyrmspire. Big shout out to the Duck – with my stick – har! Gonna relish drinking my mead from his skull.

### **From Lord Theodoxus**

I'd like to call the goblins of Pegasus Valley together. Have a little something something planned for something in the near future. You'll love it.

### **From JAK**

Anyone seen my cup?

**Editor's Note:** As there were very few submissions (just Isoud and Shadow), Lord Theodoxus was kind enough to fill in all other comments while I created the advertisements. In the future, I'd love it if more people, specifically the officers and guildmasters, would contribute. It would make things more interesting. Probably.
