Duke's Address

Um.. well... maybe next time.

Regent's Address

Greetings populace!

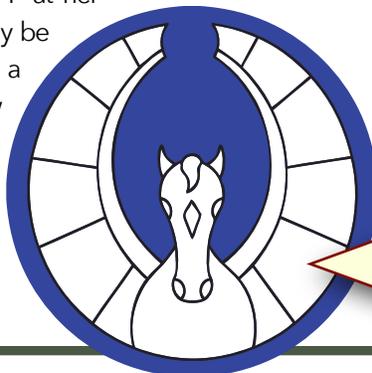

I am excited to announce our midreign events will take place next Saturday, December 8th. During the park day we'll have Warmaster and Dragonmaster events. Dragonmaster will be a best of the best competition - single item, any category, must be made entirely by the entrant. Highest overall score wins. Bring it! The feast will begin at 6pm at UNM Center for Health Sciences Education, room B-116. We will have maps available, and the address is:

1001 Stanford NE
 University of New Mexico
 Albuquerque, NM 87131-0001

Our menu is: bread, split pea soup, garlic mashed potatoes, corn on the cob, roast beef or shredded pork, with cookies and cheesecake for dessert. All dishes (with the obvious exception of the roasts) are vegetarian-friendly and all profits go to the Duchy - for about what you'd pay to eat at McDonald's! Come join us for feasting and awards. Cost is \$7, dues paid members of Pegasus Valley get a \$2 discount.

Tuesday night Arts and Sciences will be taking a break along with the university - our last on-campus A&S night for 2012 will be this Tuesday, December 4th. We will resume on January 15, 2013 when classes will be back in session. Inferno graciously hosts a Friday night A&S/FP at her home, but there are times it must necessarily be postponed, for instance this week she had a spontaneous front yard lake. Want to know where to go to swing foam and/or sewing needles? Your best bet for keeping informed is our facebook group: Amtgard Albuquerque Pegasus Valley.

From the Heir Apparent:

So, the people have spoken, and Version 8 testing will be on the first Saturday of each month. That's today, right? Anyways, anyone who needs help learning about their abilities, making a spell-list, or knowing what to do and how to do it best, feel free to talk to me. You all know me. I set up and run lots of battlegames and I'm happy to answer any questions you may have about any of the rules in Amtgard, be it Version 7, or Version 8.

Fight well and often,
 Talifer, Heir Apparent of Pegasus Valley

Welcome to our Special Election Edition! The upcoming election is for the office of Prime Minister. PM is the group officer that is in charge of the funds and the credits. There are some other duties also, but those are the big two. The election will be held on December 8 at the park. To vote, you will need to be dues paid by this weekend (Dec 1), so if you aren't and you want to vote, find Inferno and pay your dues! It's only \$6 and is good for 6 months. Dues not only lets you vote but supports the club!

Note from the Prime Minister

Greetings! It has been an honor to serve as Prime Minister. I learned a great deal from holding this position. I could not have done it without the help and support of the populace; especially Lila, Alucard, Styxx, Exedor, Shadydeal, Mossy, Blaze and Kyle. I wish the next PM the best of luck. -Inferno

Rumor from the GMR

The fighting events for Warmaster will be: Hinged and Shield, Reach, Single Short, Double Dagger, Sword and Board, and Open. NOTE: THIS IS JUST A RUMOR. IT MAY HAPPEN. IT MAY NOT. THAT'S WHY ITS CALLED A RUMOR.

Q & A with a Prime Minister Candidate

We here at the Horsefeathers HQ managed to get some time with one of the Duchy's candidates for the upcoming Prime Minister election and he agreed to answer a few questions for us!

Q: So, Exedor, would you be a good PM?

A: Of course! I'll even be a great PM, if given the chance. I doubt you expected me to say otherwise, though.

Q: Do you have any experience with this kind of thing?

A: Very much so, actually! I have been PM previously, a few years back. Also, I work with reports and spreadsheets and other such data-intensive things pretty regularly.

Q: Surely this is unnecessary, but how would our readers identify you? Do you fight on the PV field regularly?

A: I do fight regularly, I'm the big guy that sometimes wears the top hat and is almost always fighting with a polearm. I'm out almost every week and can very often be found in the ditch battles.

Q: "Almost every week"? If you are going to be PM, shouldn't you be out EVERY week?

A: Definitely! If I win the election, I will be out every week, as would be my duty. I have good transportation and my other job shouldn't interfere with my Saturdays.

Q: You aren't running unopposed, though, right?

A: Definitely not. Amatiel is also running. She's got a lot of enthusiasm and energy.

Q: Well, we'd really like to thank you for stopping by and chatting with us! Remember folks, Baron Exedor Wayfel, one of your choices for Prime Minister!
