Amatiel	3.05 +hotdog			
Amatiel		Pockta Tunic GFI-4	2.96	Wider applique needed. Wider applique stitch is required for this. Hem: sleeves and neck all different, need regularity. Seams aren't even. Seams turn around base, loose sleeve embroidery. Thin, unfinished seams, loose bias tape. Sleeves good, bottom is turned.
Amatiel		LoZ Tunic GFI-5	3.1	Seams are not even. Loose threads. Mismatched stitching. Uneven stitching, unfinished edges
Amatiel		Undertunic GFI-6	2.72	Adequate but needs better, cleaner finish and thread choice. Bottom is best park, neck and sleeves could be better. Loose threads, messy seams
Amatiel		Soul Raveger CW-5	3.44	Technically legal, but I don't trust that skull. Skull seems very unsafe and will hurt. An accident waiting to happen. Not particularly legal. Miscategorized, would score better in Unique Weapon. Well built but not legal due to skull
Amatiel		Leaf Buckler CS-6	2.96	Good idea but poorly executed. Threads are loose and leaves fall off. Came apart. Appears legal and solid-leaves are falling off. Some leaves are falling off.
Amatiel		Fairies CA-6	2.93	Good idea, Unclear that it's not fireball/magic bolt. Construction inconsistent. Does not look like a throwie, streamers are unfinished, green one is too hard. Seemed to be rushed. Lots of loose seams, red one is open. They look like spellballs, not throwing. Unhermed. Miscategorized as throwie.
Amatiel		Cowbell CP-5	3.13	Kind of wish the PVC was spraypainted grey. Ductape? Also decorate poles and finish ends. PVC Looks Ugly
Amatiel		Modular Flags CP-6	3.18	Mostly functional. Plain but acceptable for battlefield. Looks used. Sticky, hard to modulate. Difficult to put on poles. Would be graded higher if rose.
Fay	3.7			
Fay		Chain necklace, heart AJ-2	3.48	Plain. Nice pattern. Good construction but loose link. Sturdy, simple

Fay		CM cross Necklace AJ-4	4.08	Nice crossings and color. Dragon! Nice cross bundle. DRAGON! Amazing construction.
Fay		Small CM Cross AJ-5	3.48	generic chain?
Belthil	3.9			
Belthil		Red Linen Tunic GFI-1	4.22	Bias tape x, few flaws. Well made, good stitching, heavy cloth. Nice layered design. Some trim discrepancies. Nice details, loose left sleeve seam
Belthil		Brown Robe GA-2	3.6	Sturdy, nice seam pressing but a few are uneven stitching. Re-enforced stitching warm, but uneven stitching. "Under arm and side"
Belthil		Great Sword CW-8	3.6	Liked the jewel, suggest using a pattern so it is the same on each side
Belthil		Website A2D-2	4	Neat as Hell!

Balder		Bear Favor AN-1	3	Stippy, not much to it. "Needlework" is usually handsewn? Nice design, adequate only
Balder		Warlord Crest A2D-4	3.15	Painting could be more solid, no description. Unfinished. Round edges would be nice. Also a sealant coat to even texture. Nice use of color

Phud	3.5			
Phud		Throwing Knife CW-2	3.6	Nicely weighted but a bit brick-like at top.
Phud		Throwing Axe CW-3	3.33	Rotating hilt was weird. Soft and even, tape misaligned.
Kaede	3.8			
Kaede		Monster Garb Set GM-4	3.8	Fantastic design. Don't ever use something til after quals, construction problem. Glue is a little loose in some places, great detail! Great details, strong construction. Very nice, looks durable. Looks nice, fix small details. So cute.
Sybella	3.72			
Sybella		Clam Chowder FM-2	3.43	Little clam, rough mussels. Bacon chowder. Flavorful but not a clam chowder (bacon chowder) Could be less separate. Very creamy, bacon overpowered. Nice cream sauce, bacon chowder. Clam was overcooked and bacon overwhelmed any flavor of clam. Needs ingredient list, good flavor
Sybella		Raspberry Chocolate Mousse FD-2	4.3	Heavenly. Delicious. Needs more body, not a true mousse. Cute presentation. Great flavor. The mousse broke
Sybella		Strawberry Vinaigrette FC-2	3.6	Really well made color was a bit unappetizing and dressing separated. Sweet, nice presentation. Good flavor, nice color, could use more lettuce. Meshed fascinatingly with ingredients
Sybella		Bite-Size BLT FS-2	3.55	Sweet, nice presentation. Really good flavor. So cute! Delicious, does not fit description. Yummy but is mislabeled. Are these gluten free?
Diestro	3.14			
Diestro		Pineapple Mango Chile Chicken Wings FM-1	3.43	Nice blend of flavors, moist. Pineapple was missing, had no chile. Would have scored higher as an appetizer. Flavor was great but mild. Sweet but needed more acid from pineapple or citrus. No chili detected. Can't taste the pineapple
Diestro		Black Bean Salsa FC-1	3.63	nice flavor.
Diestro		Lemon Blueberry Muffins FD-1	2.7	Bad presentation, sticky, actually muffins. Undercooked. Lack of lemon and top was undercooked. Moist, good lemon and blueberry balance, slightly undercooked. Barely competent-sticky, flat, sweet out of balance. Where's lemon

Bai Hu		Monk Sash with Throwie Straps GA-3	3.93	Nice work hiding stitches from elastic, not legal. Well done!
Bai Hu		PV Banner CB-1	3.3	Nice job, trime loose strings next time. Unfinished edges on back, difficult applique. Applique spacing, loose thread, could use backing
Bai Hu		Tunic with PV Heraldry GFI-2	3.53	Nicely sewn. Seems a little thin
Bai Hu		Stab-only Madu CS-1	3.3	
Bai Hu		Letter to Ibn al-Noto WF-3	N/A
